Nothing broken but my heart

I wanna dance with somebody
I will always love you
I'm every woman
I'm your baby tonight
It's not right but it's okay
Joy to the world
My love is your love
One moment in time
Run to you
Saving all my love for you
So emotional
Try it on my own
Until you come back
When you believe
Where do broken hearts go
You give good love
You'll never stand alone
